

Michael J. Mehrman

Sandy Springs, GA 30350 | (404) 497-7400 | mmehrman@nls.law; mike@mehrmanlaw.com

EXPERIENCE

Registered Patent Attorney (Domestic and International Practice); USPTO Regulatory Proceedings (PTAB, TTAB); Intellectual Property Litigation (Trial, Appellate); Copyright (Registration, Litigation); Trademark (Registration, Litigation); Portfolio Development; Management; Licensing and Monetization. Extensive experience in domestic and international patent, copyright, and trademark prosecution, litigation, and licensing. Initial practice concentration concerned U.S. and international patent applications for electrical and mechanical inventions. Later emphasis included litigation, transactions, client counseling, and supervision and training of new associates.

More recent practice emphasis includes patent, copyright and trademark litigation, emerging technology representation including licensing strategies, employee invention agreements, business plans, presentation to financing entities, due diligence investigations, clearance opinions, intellectual property title clearing, and related matters. Recently engaged as expert witness on patent law. Representative technologies include electric power systems, amusement park rides, package handling systems, vending machines, machines for manufacturing corrugated cardboard, Internet companies, electric switchgear, power conditioning equipment, electric vehicles, electric circuit design, combustion technologies, telecommunications, image processing, reconfigurable hardware, computer software, and a wide variety of business models. Representative past and current clients include: ConcealFab, Inc., Southern States LLC, Hospitality Core Services (Blueprint RF), McTech Group, Inc., uControl, Inc., Corrugated Gear & Services, Inc., Lifestream Technologies, Oak Ridge National Laboratory, Microsoft, United Parcel Service, BellSouth.
